For a joke character that's a clone of Nepgear for the most part, I'd say she's worth it. If you like the gearster you buy this. I mean it's not like Nepgya stalks you in your sleep and never lets you go anywhere without her watching you. She's cheap in terms of the price and I'd say yolo just buy her cause why not? Plus the moment you buy her you unlock her.. Why not buy and NEPGYAAAAAAAAAAAA. I can sleep well after getting this DLC.

I also like Paper Dimension Gearsy.. Remember that date your friend and his gf set you up with?
You know what i mean. That one date.

Friend: you know my gf has a twin sister who is still single. Want me to hook you up with her?
You: No way man?! seriously? I'm in!

Of course you'd think that she looks 100% the same considering they are twins.

But at the date the horrid realization kicks in the moment you face her eye to eye.
your friend is an *****. He screwed you over.

Introducing Nepgya~

Not so hot looking twinsister.. Recommended because Nepgya.. Gyaaaa\uff01. NEPGYA!NEPGYA!NEPGYA!
NEPGYA!NEPGYA!
NEPGYA!NEPGYA!NEPGYA!

10V10 NEPGYA. Shes going to infect the world with this face.

I just... Can't make sense of it. You feel so bad for her.
Her voice and face... like a mobile bootleg that's trying

Edit: () My Eyes are Opened now. NEPGYAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA
AA. Best DLC best grill. Best dollar ever spent.. I
think there is something wrong with my Nep

I hope this thing has a warranty because I'm taking it back to the shop. Nepgya's pantsu (\u0361\u00b0 \u035c\u0296
